Little Kids Club 芽芽華語班(小)

Fall 2026 Semester

We are excited to welcome your child! Please review the following policies:

Age Eligibility
Children must be born between **January 15, 2023 and September 15, 2024**. Registrations outside this range will be canceled, with tuition refunded minus a 5% processing fee.

Calendar & Closures
The calendar is tentative and may change. Occasionally, class dates or closures may shift, but the **total number of classes remains the same**. The school follows the **New York City Department of Education** for weather-related closures (e.g., snow days). Classes canceled due to severe weather, government orders, or other emergencies may **not have a makeup class**.

Image & Media Release
Students' class activities may be photographed or recorded. By registering, parents give permission for Ya-Ya Mandarin Seeds to use these images in print, online, social media, broadcasts, and other media. Parents release the school and its staff from any claims related to the use of these materials. If you prefer your child **not** to appear in photos or videos, please contact the school.

Cancellation $ Withdrawal
Families may withdraw their child after the first week of class by providing written notice to the school. To be eligible for a prorated refund, written notice must be received no later than 5:00 PM EST on September 17, 2026. Any unused tuition will be refunded on a prorated basis, less a non-refundable 3% administrative fee based on the original tuition paid. Tuition is non-transferable and may not be credited toward another program, semester, or student.

No refunds will be issued for classes already attended, missed classes, absences, withdrawal requests received after the deadline above, voluntary withdrawal after the semester has ended, or dismissal from the program.
