

# Blue Class Insider

## WHAT JOBS DO YOU LIKE?

Imaginary play is one of Blue Class (藍班) children's favorite activities. And that's one of the reasons why they were so into the topic of "What Jobs Do You Like?" (你喜歡甚麼工作?). During this topic, children had plenty of opportunities to pretend to be teachers (老師), doctors (醫生), police officers (警察), firefighters (消防員), postal workers (郵差), farmers (農民), hairdressers (美髮師), and chefs (廚師). They also got to explore the tools people in these professions use and their responsibilities. Some of our favorite activities are giving each other a physical like doctors, putting out fire in the experience room like firefighters, creating love potion for Halloween, and more. We love singing Ya Ya Mandarin songs and we've started to practice singing our topic theme song while referring to the lyrics! Just like community helpers, we have learned to be little helpers in the classroom by taking care of our friends and helping our teachers to keep the environment clean.

topic resources!](#)

# Classroom Happenings ✨

Giving our friend a physical just like a doctor.

Making our own fire truck.

Let's find out what happens when we mix baking soda and vinegar together? Love potion is created!

Trying on different hair accessories at our Ya Ya Salon.

Ya Ya firefighters to the rescue! We learned about how real firefighters put out fire and we mimicked them by using a spray bottle to save Bao Bao.

# Special Events

Listening to a Halloween story and exploring a real pumpkin.

Lining up to go Trick-or-Treating.

Thanksgiving Assembly with our friends in the Green and Yellow Classes.

# ✨ Extra Sweet Moments ✨

We are little helpers who ensure that our classroom is spotless. Every time after our bubble party, we wipe the floor with paper towel to keep it clean.

Showing love and taking care of our friends.
